LOCATION

Located just 15 minutes outside the historic town of Milton, our property sits within the wonderful country-meets-coastal melting pot that is the NSW South Coast.

Discover National Parks, lush countryside, walking trails, secluded beaches, coastal lakes, great cafes & restaurants, quality wines, fresh produce and artisan breads all at our doorstep.

Milton and surrounds also offer ample beachfront accommodation as well as several luxurious countryside retreats, and with easy access to both Sydney and Canberra, it is the perfect place for a transformative weekend away with a focus on being there rather than getting there.

THE VENUE

Welcome to The Barn on the Ridge!

The Barn On The Ridge is situated atop 55 acres of rolling hills, stunning vistas and secluded forest tracks. With sweeping views of Pigeon House Mountain and the Budawang Ranges, it really is the perfect place to say ‘I do’.

Our gorgeous barn venue is the focal point of the property and a space that is full of magic. The Barn’s unique blend of rustic character and contemporary features is timeless, charming and romantic. Showcasing hand-milled hardwood finishes, wall to wall windows and beautifully rusted corrugated iron, rescued from an aging rural property. The Barn is a warm and inviting space that evokes a special kind of feeling.

Jacqui & Scott

We were lucky enough to have our wedding at The Barn on The Ridge and it was everything we could have ever dreamed of.
The incredible crew (Mack, Laura, Brad & Mindy), made our weekend extremely fun & memorable and helped us with every step of the way. Nothing was too much or too hard. They were super friendly and they went above and beyond to give us a perfect wedding. Very knowledgeable of local vendors and eager to help any way they could. They were very adaptable & kept up with the changing COVID restrictions. Communication was fantastic! We wouldn't have changed a thing.
Cannot speak highly enough of the amazing team at The Barn on The Ridge.

We were lucky enough to get married at this beautiful venue in Feb this year. We can’t recommend The Barn On The Ridge highly enough!! Mindy, Brad and Team are incredible to work with, and genuinely all round great people. They have done an amazing job with the venue. We fell in love with this place and knew it was where we wanted to get married as soon as we arrived. The incredible views, the amazing barn and everything in between, was everything we were looking for - it really was our dream wedding. Our wedding day was perfect and we can not thank Mindy and team enough. The Barn On The Ridge will always hold a special place in our hearts and we can't wait to come back and enjoy some music events in the future!

My husband and I got married at the barn in December. To say the barn was our dream venue would be an understatement! The views, barn, dam, tiny house and pristine paddocks are just a few of our favourite features. The team had impeccable communication throughout our wedding journey. From my panic covid calls to vendor suggestions they were there every step of the way!
We could not recommend The Barn enough to create your dream wedding day!
