ABOUT THE BARN

The Barn On The Ridge is situated atop 55 acres of rolling hills, stunning vistas and secluded forest tracks. With sweeping views of Pigeon House Mountain and the Budawang Ranges, it really is the perfect place to say 'I do'.

Our gorgeous barn venue is the focal point of the property and a space that is full of magic. The Barn's unique blend of rustic character and contemporary features is timeless, charming and romantic.

Showcasing hand-milled hardwood finishes, wall to wall windows and beautifully rusted corrugated iron, rescued from an aging rural property. The Barn is a warm and inviting space that evokes a special kind of feeling.

For your ceremony, we offer numerous locations including our Wishing Well View (pictured here), Jetty, Green Hills and Secret Garden sites, along with anywhere else you can find on the property! Following your ceremony, your guests can mingle within the venue and gardens while you, your bridal party and your very excited photographer explore the countless photographic opportunities throughout the grounds.

D.I.Y

We are a complete DIY (do it yourself) venue, allowing you to create the day of your dreams while keeping your costs in check.

Whether you do it all yourself, rally your friends and family to pitch in, or engage a wedding coordinator and stylist, the look and feel of your wedding is completely up to YOU!

For our full three day venue hire, we allow exclusive access to the property from midday the day before your event. This is so you and your team can come and start working your magic to ensure you don't have to lift a finger on your special day.

You will have access to a huge range of styling props in our Borrow Barn to help bring your dreams to life.

For inspiration, be sure to follow along on [Instagram](#), or check out the gallery on our website.

Our Borrow Barn is an ever growing collection of items you are free to use on your wedding weekend. From wine barrels & stools, tables & chairs, to cushions, candles, vases & other styling props. These are things we've collected over time to lessen the number of items you have to purchase or hire for your special day.

You can find our most up to date Borrow Barn Catalogue [here](#).

Most of the items within the catalogue can be found within the cabinetry in the commercial kitchen building, adjacent to The Barn for easy access.

We will be sure to show you where these items are when you come to visit! If you have trouble finding anything in particular, please just let us know.

THREE DAY HIRE

Because how could one day possibly be enough!? We offer a three day venue hire to give you the time and space you need to create the day of your dreams, while keeping your costs in check.

Here's what a typical wedding weekend at The Barn looks like:

Day One

You'll have access to the property from midday the day before your event. Our venue manager will check you in, answer any questions and ensure you have access to everything you need including our Borrow Barn collection. We leave you to work your magic, usually with the help of friends and family OR one of our incredible wedding coordinators such as The Wedding & Event Creators.

Day Two

The day is finally here! It's your time to relax, enjoy and soak up your special day.

Our venue manager will be available to greet your vendors, making sure they have access to everything they need. They will check in periodically throughout the event to ensure everything is running smoothly. Our security will discreetly oversee your reception to ensure the safety of everyone, and that rules and government restrictions are being adhered to.

Day Three

Did someone say recovery brunch?

Why not invite everyone back up to The Barn for a more casual catch up the following morning? We all know how beautifully blurry and busy a wedding can be, so here is a great chance to really soak up the time with all of your favourite people, reminisce on the fond memories created the day before, play some lawn games that you didn't get round to the day before and polish off any left over bubbly!

Day three also gives you enough time to tidy up, ensure all rubbish & recycling is collected and placed in the designated location, find any items of clothing or little treasures that were misplaced the night before, and ensure any hire items are ready for collection.

If pack down and clean up doesn't sound like something you're interested in doing yourself, chat to Mindy about her Country Coastal Events packdown package!

BRIDAL SUITE

Included in your three day hire is a two night stay in our onsite bridal suite.

Built on the back of an old Austin Farm truck, this tiny home is unique, charming and romantic. Featuring stunning views of the Budawang ranges which you can enjoy from the comfort of your own outdoor bath tub, it really is the perfect place to soak up your first night as newlyweds.

TESTIMONIALS

Jacqui & Scott

We were lucky enough to have our wedding at The Barn on The Ridge and it was everything we could have ever dreamed of.

The incredible crew (Mack, Laura, Brad & Mindy), made our weekend extremely fun & memorable and helped us with every step of the way. Nothing was too much or too hard. They were super friendly and they went above and beyond to give us a perfect wedding. Very knowledgeable of local vendors and eager to help any way they could. They were very adaptable & kept up with the changing COVID restrictions. Communication was fantastic! We wouldn't have changed a thing.

Cannot speak highly enough of the amazing team at The Barn on The Ridge

Emily & Keegan

My husband and I got married at the barn in December 2021. To say the barn was our dream venue would be an understatement! The views, barn, dam, tiny house and pristine paddocks are just a few of our favourite features. The team had impeccable communication throughout our wedding journey. From my panic covid calls to vendor suggestions they were there every step of the way!

We could not recommend The Barn enough to create your dream wedding day!
